

WORLD OF RADIO #1057, produced November 8, 2000 by Glenn Hauser

- *Standard disclaimer
- *Recorded before US presidential election decided; the winner was:
Dan Rather on CBS, more alert than other anchors and full of wacky
Texas metaphors
- *Our website came back as WOR 1056 started airing
- *Now available: latest WOR audio via our websites; click on at top
of <https://www.angelfire.com/ok/worldofradio> | It's a large 7 MB file
needing a fast connexion and not for WebTV; download or stream
[32.1 kbps, not `kpbs` as I said, Sandiegoly]
- *WOR still scheduled UT Sat 0130 on 3215 tho missing last week
- *Additional time on WWCN: Sunday 2000 on 12160 if logistically
possible
- *So WOR on WWCN schedule is now: Thu 2130 on 15685, Fri 1030 7435,
Sat 0130 3215, Sat 1230 15685, Sun 0330 & 0728 on 5070, Sun 1930
15685, Sun 2000 12160, Mon 0100 3215, Mon 0600 3210, Tue 1200 on
15685
- *New Mundo Radial, monthly Spanish DX report, starts November 10,
Fridays 2215 on 9475
- *New November Continent of Media 0009 started today on RFPI; see
website for all the times and summary; later via DXing.com
- *Montsinery relay in French Guiana expected back this week, two
months after fire
- *HCJB surprise move of Ham Radio Today to Saturday
[but still heard on Wednesday too]
- *Peruvian harmonic on 13 MHz band, R. Ondas del Pacifico
- *R. Rebelde, Cuba SW heard on 3rd and 2nd harmonics
- *R. Litoral, Honduras opening an hour earlier in morning, frequency
varies
- *Mexican free radio stations: R. Rocco on 25 MHz band; R. Urantia on
27 MHz; see DXLD 0-133
- *Dennis Miller's obscure references on Monday Night Football explained
at <http://www.britannica.com>
- *WCLV, classical in Cleveland, moving to AM and another FM frequency;
more about it in COM 0009
- *WNYC-FM and webcasting added new anthology shows: Studio 360, and
The Next Big Thing; <http://www.wnyc.org>
- *November is centenary of the birth of Aaron Copland; special programs
on WETA-FM, WNYC and others; see DXLD 0-135
- *Annual Radio Hall of Fame Sat Nov 18 at 9 pm CT; WLS, WGN, WABC, WOL
see <http://www.radiohof.org>
- *WBCQ has other DX programs, The Real Amateur Radio Show, Tom & Darryl
and Off the Hook
- *Saturday November 11 is Veteran's Day; special amateur radio
operations in DXLD 0-135
- *CFRX, Toronto lost its audio again
- *Times for some CBC programs still on RCI: The House, Basic Black,
Quirks & Quarks, Madly Off in All Directions, Global Village, Inside
Track
- *RCI redesigned website with program search function, hard to use,

confusing and inaccurate <http://www.rcinet.ca>

- *Maple Leaf Mailbag airing in first half of Sunday hours, despite schedule showing second half
- *RCI is testing Nov 8-9-10 to South Asia via Flevo, Netherlands
- *More than halfway through WOR 1057, P O Box 1684, Enid, OK 73702 USA or wghauser@hotmail.com If really necessary fax 1-580-233-2948 attn Hauser
- *New B00 schedule of RTE Ireland via various sites, but 0130 seems Skelton instead of Sackville
- *Don't you believe BBC On Air listings to Americas at 1300-1700 which are one hour off
- *BBC WS Previews: The Copland Years, Internet Dreamers, Future Goldmines, Heritage
- *BBC Radio 3 has a weekend on Aaron Copland, Nov 11-12; check <http://www.bbc.co.uk/radio3>
- *BBC Radio 4 has new series of Desert Island Discs, Sundays & Fridays
- *RFI's new schedule in English from France
- *REE's new schedule in English from Spain [0500 not 0200 as I said]
- *R. Polonia's new schedule in English from Poland
- *R. Chechnya Svobodnaya on 75m is mix of 15 and 11 MHz frequencies
- *V. of Sudan, clandestine of NDA from Eritrea has closed down
- *US Government under Clinton/Gore has downgraded support of clandestine broadcasting; Bush would upgrade as important foreign policy tool, says CRW
- *V. of Hope, new weekly broadcast to Sudan via Madagascar (recording); more at <http://www.medianetwork.nl>
- *R. Jordan's new English schedule improves North American reception
- *Iraq still heard with ``Mother of All Battles Radio``; audio improved in Arabic, but not European languages which are exceptionally bad
- *R. Pakistan shifted 5 kHz already both western European frequencies
- *R. Pakistan has ``Assami Service`` in English
- *V. of Jammu & Kashmir Freedom clandestine fits into Islamabad transmitter schedule
- *R. Thailand back on 13 MHz to North America
- *V. of Vietnam on new frequency via Canada; relayed Israel by mistake!
- *Tahiti has weather broadcast on shortwave, FJA, Mahina Radio
- *Vanuatu audible in Europe again on 60 metres
- *Propagation outlook from Boulder, November 7; flux range 160-200-170
- *Glenn Hauser here concluding World of Radio 1057 ###
